Nanjing Kingcolor Garments & Accessories Co., Ltd. is a professional foreign trade company that specialized in hats, scarves, gloves and clothing accessories' trading. Established in 2010, our company continuously exported our products internationally for 5 years. Our main oversea markets include North American, South American, South Africa and Europe. As a company with positive spirits, we have the most hard-working staff that are well trained and rich in the experience of foreign trade. We are looking forward to cooperating with clients from all over the world.

Kingcolor team is composed of 12 trustworthy members. They have been worked as a team since the very beginning of our company. Most of them have 10 years of working experience, and all of them know these accessories' market very well. We believe that a well communication with our clients is the key to success business cooperation. For a long time we have worked with different customers, so we know how to satisfy their needs. We also keep fixing our mistakes throughout the whole business co-operation. Each order is treaded carefully. As a result, some of our clients are willing to have a long-term business work with us. In addition, our professional attitudes and easy-going business styles wins us long-range partnerships with plenty of good factories. Our factories have already passed factory evaluation by BSCI, Sedex, ICS, Disney, and Walmart. Because of agreement with our friend-factories, we are capable of offering the best prices and delivering products on time even during peak season.

Have worked in the garment accessories' market for many years, we know this field very well.

We can offer different products with wide range of designs, materials, and colors; and products suit for all age ranges. Our main business includes verities of head accessories. We sell not only normal caps, but also sports caps, baseball caps. We sell hats, also cowboy hats, newsboy hats, panama hats, and trilby hats. In addition, we can also offer those fancy style headgears like: fedoras, balmorals, beanies, berets, boonies, bowlers, and bucket cloches. We do market research frequently and we recommend new designs and trends to our customers. Any styles of caps, hats, scarves, gloves or even bags or clothes (we are currently expending our business range towards bags and clothing), we can help you find the best match!
